

GARDEN OF HOPE

Girl Power 2 Cure is a 501c3 nonprofit organization. Tax ID # 20-8011668

Thank you for helping us plant "Gardens of Hope" that will raise awareness and funds that will support Rett Syndrome Research! You will be asking businesses/events to ask their customers/visitors to "plant" a paper flower in exchange for a minimum \$1 donation. Each flower has a UPC code on the back. Stores may contact us directly for UPC information.

Here is how this works:

Step 1: GET YOUR KIT READY TO TAKE TO LOCAL STORES

(available at www.girlpower2cure.org/gardenofhope)

Prepare a copy to leave with each store manager which includes YOUR contact information. Kit should include:

- Printed sample flower icon and coloring sheet
- Presentation letter (letter asking store to participate - you should also include your personal story and connection to the community where the store is located)
- Display Flyer (a flyer they can display to inform customers/visitors about the Garden of Hope)
- Sign Up form (after it is filled out, be sure to make a copy to leave with the store manager)

Step 2: ORDER AND DELIVERY

AFTER you have a commitment/sign up form from a store/event, either order the flowers online to deliver in person, or have the business order them from our site directly (available in multiples of 50). Deliver the flower icons to each business. Decide on the the amount of time they will participate in the fundraiser (ideally the entire month of April, for Autism Awareness Month – but a minimum of one week*).

Step 3: KEEP THEM STOCKED!

Keep in touch with your businesses to see if they need more flowers! Be sure to leave YOUR contact information with them. They can order directly from our site or you can contact me if you need more flowers mailed: (260) 868-4802 or kelly@girlpower2cure.org

Step 4: COLLECTION

At the end of the allotted period, please collect the money from each business. Have them make a check out to Girl Power 2 Cure, Inc. Also, please collect any unplanted flowers. They may also mail their check and unplanted flowers directly to us.

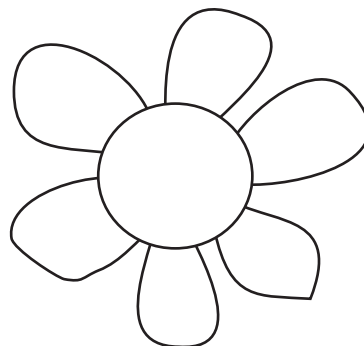

Step 5: All donation checks and unplanted flowers should be mailed to:

Girl Power 2 Cure, Inc
2891 Breakers Court
Amelia Island, FL 32034

* We would love to have the flowers "blooming" in April/May, but any time of year is fine!

\$1 paper icon sales

coloring pages for customers/visitors

AWARENESS OPPORTUNITY

If a place of business is unable to fund raise, perhaps they would create a Garden of Hope using the drawings of their customers. They can print these themselves (or you can) to give to people to take home, color and return to the store for display.

(Available on our site.)
